

SPORTS PREMIUM SPENDING

This document shows how we used our Sports Premium funding in 2016-17 as well as our planned spend for the current academic year. The funding aims to provide and deliver high quality PE and sport teaching and enable the school to develop its physical educational offering.

2017-18

We were awarded £13,346 for 2017/18.

ACTION	COST	TIMINGS	LEADER	IMPACT
Become members of the Youth Sports Trust and South Gloucestershire PE Association.	£400	Throughout the year.	P.E. subject leader.	This has enabled the school to take part in a range of events, including the Festival of Youth Sport, KLB-led sports afternoons and small school tournaments.
Repairs and replacement to existing sports equipment	£336.88	Summer 2017	Headteacher. School Business Manager.	Old equipment, such as PE mats, has been replaced.
Sports coaches to deliver games sessions for all classes and provide	£6700	Throughout the year	P.E. subject leader	Following a staff skills audit, the coaches are increasing the confidence, knowledge and skills of all staff in teaching and sport. This has broadened the experience of a range of sports

after school clubs. All children are able to attend one 'free term' of clubs.				and activities to all pupils.
Refresh and increase the amount of playground markings.	£1464.50	Summer 2017	Headteacher. School Business Manager.	Pupils are now more active on the playground, with a wider range of activities available at playtimes.
Purchase and implement a new PE Scheme of Work – The Power of PE	£350	May 2017	P.E. Subject Leader	There is consistency in our delivery of the PE curriculum.
Subscription to Jump Start Jonny	£156	January 2018	P.E. Subject Leader	Children in all classes start their day with an energising Wake and Shake session, increasing the amount of exercise in their weekly routine.

FUTURE ACTION	FUTURE COST	TIMINGS	LEADER	IMPACT
Develop outdoor learning resources to support existing and new activities.	£2000	Spring 2018	SLT.	Outdoor activities are enhanced, using sustainable materials that will benefit all pupils in years to come.
Train staff to lead outdoor learning sessions	£1500			Daily physical activity will increase.
Maintenance and enhancement of PE resources	£1000	Ongoing	PE subject leader	Equipment is updated to ensure high quality sports provision for future years.
Off-site sports visits	£1000	2018	PE subject leader	Raise the profile of PE and sport throughout the school. Broadened experiences offered to all pupils.

2016-17

We were awarded £8429 for 2016/17. We spent this on the following items.

ACTION	COSTS	TIMINGS	LEADER	IMPACT
Become members of the Youth Sports Trust and South Gloucestershire PE Association.	£400	Throughout the year.	P.E. subject leader.	This has enabled the school to take part in a range of events, including the Festival of Youth Sport, KLB-led sports afternoons and small school tournaments.
Additional equipment, flooring and other repairs to our trim trail / adventure playground area.	£9,336	November 2016	Headteacher. School Business Manager.	This has provided children with extra sustainable opportunities for physical activity at break-times as well as during curriculum times.
Sports equipment	£432	Throughout the year	P.E. subject leader	Following the replenishment of much of our PE and sports equipment in 2015/16, we have bought some more sporting equipment, including mini football goals. In addition, we have purchased new clothing, so that our school has small schools' branded shirts for our regular tournaments.
Transport to sporting events	£738	Throughout the year	P.E. subject leader	
Sports coaches	£1,765	Sports week as well as after school sports clubs (throughout the year)	P.E. subject leader	Our sports week gave children the opportunity to have new sporting experiences, such as fencing and archery. Our after school sports clubs gave children additional opportunities to develop sporting skills and have a

				healthy lifestyle.
