

Robin Class Overview Term 2

Author:

Throughout the year there will be daily phonics and spelling sessions. We will also have 3 guided reading sessions a week which will focus on fluency and comprehension.

Our text this term is:

- The Three Little Pigs (Traditional Tale)

This will be followed by 2 weeks of Poetry where we will be exploring and writing simple poems.

Mathematician:

Our focus this term will be:

Number - Addition and Subtraction

Geometry - Shape

Athlete:

Gymnastics

Fundamental Movement Skills (Future Stars)

Enquiry:

Our Enquiry is: What could my 'classroom' be made of?

Engineer	-select from and use a range of tools and equipment to perform cutting, shaping, joining and finishing - select from and use a wide range of materials and components for design and construction
Artist	-use a range of materials creatively to design and make products; - learn about the work of a range of architects and designers
Scientist	-identify and compare everyday materials -explore how the shape of some solid materials can be changed
Historian	-develop an awareness of the past through looking at old pictures of the school building and comparing it to what the school looks like now

Children will learn that materials are chosen for specific purposes through this Enquiry. They will use those choices as an Engineer to complete the challenge at the end of term.

RE:

Our question this term is:

Why does Christmas matter to Christians?
