

# Robin Class Overview Term 4

## Author:

Throughout the year there will be daily phonics and spelling sessions. We will also have 3 guided reading sessions a week which will focus on fluency and comprehension.

Our text this term is:

- Lights on Cotton Rock by David Litchfield

Through this text we will be focusing on strengthening key grammatical skills and applying these to short burst writing opportunities.

## Mathematician:

Our focus this term will be:

Time

Place Value

Addition and subtraction

## Athlete:

Fitness

Target Games (Future Stars)

## RE:

Our question this term is:

Who is a Muslim and what do they believe?

## Enquiry:

Our first Enquiry this term is: How do we live a healthy life?

Engineer	<ul style="list-style-type: none"> <li>- use the basic principles of a healthy and varied diet to prepare dishes;</li> <li>- understand where food comes from.</li> </ul>
Scientist	<ul style="list-style-type: none"> <li>- describe how animals obtain their food from plants and other animals using the idea of a simple food chain and identify and name different sources of food.</li> <li>- find out about &amp; describe the basic needs of animals, including humans, for survival (water, food and air);</li> <li>- describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.</li> </ul>

In Week 5 we will start our new Enquiry: How do plants grow near me?

Scientist	<ul style="list-style-type: none"> <li>- observe and describe how seeds and bulbs grow into mature plants;</li> <li>- find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.</li> </ul>
Geographer	<ul style="list-style-type: none"> <li>- identify seasonal and daily weather patterns in the UK and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles.</li> </ul>
