

Robin Class Newsletter

Dear Parents/Carers,

Welcome to the start of the summer term. I hope you have all had a restful break and opportunities to reconnect with family.

Reading

Reading books will be changed on Fridays this term, please remind your child to place their books in the quarantine box on Friday mornings. Please ensure your child is reading at least 5 times a week. This can include school books and other reading material such as comics, books from the library/home, magazines, etc. Please record any reading in your child's Reading Record so that we can celebrate this in the classroom.

Homework and Spelling

The Homework Jigsaw and spelling will be posted on Google Classroom this term. Please choose one jigsaw piece to complete each week. There will be a spelling test every Friday.

Enquiry:

We are continuing with our Enquiry from last term: How do plants grow near me? This will be followed by our new Enquiry: What is home?

Our lead State of Being will be a Scientist and we will be learning about animals and their habitats. This will be supported by being Geographers to consolidate and apply

previous learning. Robin class will also be Artists through this enquiry where we will be able to explore and practise different techniques. This Enquiry will also involve a lot of outdoor learning, please ensure your child has a pair of wellies available at school each day.

PE

This term PE will be on Mondays and Wednesdays. Please ensure your child wears suitable PE kit to school on these days, including trainers. Please note, Robin Class do not have Future Stars for PE lessons this term.

As the days are warmer, please could you make sure your child is wearing sun cream and brings a hat to school with them. Please let me know if you have any questions or concerns. I look forward to the exciting term ahead.

Kind Regards

Mrs S Wiggins
