Calendar update

SATs information

Well done to Year 6 who have now completed their SATs tests. Results will be shared with families when available in July. Children in Year 2 will now begin their tests with Mrs Wiggins over the coming weeks. They are deliberately kept very low key and will be carried out in small groups. Results will be shared with end of year reports.

Outdoor learning day – 23rd May

We aim to spend the day outside. If it's wet, please ensure your child has a waterproof coat and a pair of wellies. Let's hope for some good weather in which case sun cream and a hat would be a great help!

Celebration service – 26th May, 2.30pm

Families are invited to join us on 26th May at 2.30pm. We are hoping that the children will be able to tell you all about our library art project too as we are planning to have a visiting artist work with the children for the day.

Please note: this is also the last day of term.

Multiplication tables checks – w/c 5th June

Mr Bryant will work with the children to complete the Year 4 tables checks at any point in the first three weeks of term.

Phonics screening checks – w/c 12th June

Mrs Wiggins will work with each child in Year 1 to complete the phonics screening check during the week.

Health week and sports day – w/c 19th June

Mr Bryant is currently organising a range of events for this year's health week. We would like to invite you to join us at the end of the week for our annual sports day on the school field. All families are welcome to join us and to see the children compete in a range of events. Please arrive at 1pm and bring along something to sit on. We may need offers of gazebos if the weather looks to be hot.

Attendance information

Our latest attendance information is as follows:

	Wrens	Robins	Swallows	Hawks	Whole school
Attendance this week	100%	98.9%	92.9%	98.6%	97.5%
Lates last week	0	4	1	5	10

Our whole school target is 96.5% and our overall attendance to date is 94.6%. We are also aiming for zero lates.

We ask that all families ensure they do not book holidays during term time as this seriously disrupts your child's education and puts them behind in their learning. It is vital children do not miss out as it can be very difficult to help them to catch up again.

Flourish awards

Last Friday, the following children were recognised for excellent effort and attitude towards learning.

Wrens – Henry was recognised as a mathematician, and Reuben for his kindness during Wren's visit to Beaufort House.

Robins – Jenson was recognised for his computing and Erin for activities during PE.

Swallows – Freddie's work as a historian was recognised, along with Abigail using evidence to support her reading answers.

Hawks – Vera's work as a mathematician was recognised, along with Maisy's achievements during Volleyball.

Term 4/5 calendar
