Throughout the year there will be daily phonics and spelling sessions.

We will also have 3 guided reading sessions a week which will focus on fluency and comprehension.

Our text for this term is:

- The Three Little Pigs

Mathematician:

Year 1: Place value

Money

Consolidation

Year 2: Statistics

Problem solving

Consolidation

Musician:

Reflect, Rewind and Replay

Jigsaw:

Puzzle 6: Changing me

Athlete:

Athletics

Net and Wall games (Future Stars)

Enquiry:

Our Enquiry is: What could my classroom be made of?

Engineer	-select from and use a range of tools and equipment to perform cutting, shaping, joining and finishing - select from and use a wide range of materials and components for design and construction
Artist	-use a range of materials creatively to design and make products; - learn about the work of a range of architects and designers
Scientist	-identify and compare everyday materials -explore how the shape of some solid materials can be changed
Historian	-develop an awareness of the past through looking at old pictures of the school building and comparing it to what the school looks like now

Children will learn that materials are chosen for specific purposes through this Enquiry. They will use those choices as an Engineer to complete the challenge at the end of term.

RE:

How and why do we celebrate special and sacred times?
