

Swallow Class Term 4 Newsletter

Dear parents,

I would like to welcome you all back to school for the beginning of Term 4. I hope you had a restful time over the holiday break.

Enquiry

Next term's enquiry, focuses on skills as an artist and a scientist, is titled "*What is the difference between surviving and being healthy?*" The key aspects taught are related to healthy eating, mirrored during our Jigsaw sessions. The children will also study the work of Roy Lichtenstein, Andy Warhol and Eric Carle before producing an "Art and Food" exhibition showcasing their learning.

Mathematician

Please remember to engage with the multiplication check resources, especially if your child is in Year 4. TTRS have just introduced a feature in the 'Soundcheck' games, specifically designed to support the Year 4 checks. If you need any support with this, please do not hesitate to contact me. All children need to fluently recall their multiplication times table facts by the end of Year 4.
